THIS MAYA'S GOT IT ALL

One of the things that really attracted me to Maya was that body of hers. Hey, you don't find many of those amazing bods in colleges any more, unless you go to one of those West Coast schools. Her smile is just so sweet—a honey blonde with big, cornflower blue eyes—and that kicking body, too—shapely rump, rippled waist, the perkier boobs I've ever seen. Really mouth-watering. Well, I probably won't ever see them in the flesh, of course, but anytime she wants to show them in another group of photos or video, I'll be there. I'm a heat-seeking missile for her boobs, especially those hard nipples. Sometimes in class I'd daydream about sucking those tiny rosebuds. Of course, I always got a hard-on thinking about them. Who wouldn't! Anyway, I digress and the professor is walking up the aisle. Gotta go...

– Vick, Massachusetts

DANIKA MAKES MY HEART RACE

What a piece of work Danika is. When I ran into her pictorial in Club Asian, I was driven crazy. How hot she is, and not at all afraid of her sexuality. A hot babe who is not afraid to open her legs and share her secrets with us. Personally, I love shaved pussies. No fighting pubic hair. My tongue can explore every inch down there. I would love to do that to Danika. Her mound looks so delicious, I could bury myself there for days. And my penis, so jealous of that dildo going into her pussy, it stares at me with saying he wants in. I don't really talk to my cock, but the things I would hear if it could. I can't finish this letter without complimenting her on her perfect boobs. Okay, they may be enhanced, but look at them. Perfection. When they are staring you in the face, do you really care if they are natural or not. Hell no! I hope Danika stays well and also hope that she'll appear in many more of your issues.

– Jacob, Long Beach

london & valerie

My good friend London is a bit over-sexed. What's strange is that I never thought of myself as a lesbian until she and I had been doing each other for more than six months. Then it just hit me out of the blue: I like girls! Or at least, I like London. I just can't stop thinking about her.

PAM'S PRESENT

On my eighteenth birthday, my boyfriend, Justin, said he had something really special for me.

We went to a nice restaurant, where we sat side by side. Justin was the perfect gentleman. Finally I slid one of his hands onto my thigh, and he got the picture. He stroked my leg, then inched his fingers upward. Imagine his surprise when he discovered I wasn't wearing any panties. For a moment, his hand covered my shaved mound. Then Justin thrust his middle finger right into my wet box!

"Is everything all right?" the waiter asked. "Does the young lady need anything?"

"I'm gettin' it right now!" I said, panting.

Justin winked at the waiter, who whispered something to his co-workers, and they all watched as Justin fingerfucked me. It was so kewl having an audience that I didn't care who saw what. I was hot! I leaned back and spread my legs wide, as Justin slid another finger inside

my pussy. His thumb was diddling my clit while his fingers pumped me good.

Well, he'd gotten me so wired up I could barely finish my meal. When we left the restaurant, our waiter smiled at me and blew a kiss. Once we were back in his apartment, Justin gave me a small box. In it were the most beautiful garnet earrings. He put them on me, then kissed me. Then he slowly undressed me.

He took off his shirt and then unzipped his jeans, and for the first time I saw his cock—god, it was huge and thick! I watched Justin stroke his cock until it thrust upward

at an impossible angle. I could see a little drop of dew glistening on its purple head. He kissed my small breasts, tonguing my pink nipples. My love liquid was oozing down my legs as I moaned and ground my pelvis against his. Enough of this! I wanted to fuck!

Justin put me on the bed, then settled between my legs. He licked my puffy lips, his tongue darting in and out. I writhed and came not one but three times, smearing my juices all over his face.

My, oh, Maya!

I gotta admit, you guys have a winner of an issue with the latest *Club Asian*. I was immediately drawn to Maya on the cover and bought the issue. When I got to her pictorial inside, I was blown away. What an absolute doll she is and I'm glad I spent the cash.

— Charlie, San Diego

"Thank you, Justin," I said, panting, a sheen of perspiration on my pert little titties. "That was a wonderful present."

He grinned. "That's not it, sweetie."

"No?"

He instructed me to get on all fours. Then he reached over and pinched and pulled my tits, making my nipples really long. Then Justin took his big cock and slid it along my pussy-lips. I was so wet that I know I dripped juices all over him.

Bending down, Justin

softly kissed each cheek. He ran his tongue over my ass-cheeks, then trailed between them to my little brown star, which he began licking.

I was really humming by then—my whole body vibrated. He pushed his tongue inside my ass, and I gasped. In the meantime he slid a finger deep inside my pussy. God, with his tongue in my ass and his finger fucking my pussy, I just came instantly.

Justin rubbed my honey all over my butt, then slowly licked it off. I was leaning on my elbows by now, my butt sticking straight up in the air. My boyfriend trailed his fingers across my ass-cheeks, then into my aching pussy again. Then he spread my ass-cheeks apart and rubbed my pussy-juice all over my asshole. “This is

your present, Pam.”

I felt something big and hard nudging my ass, and I knew that Justin was going to take my cherry—but my butt cherry. That

really turned me on! I had never even thought about doing something like this—it seemed so forbidden or something.

I was so tight back there—I didn’t think his cock would fit and told him so. Justin just laughed.

“Believe me, Pammie, it’ll fit.” He grunted as he inched his cock slowly into my little butt. It hurt at first, but after a while I realized how good it felt. Finally, he was all the way in. He pulled back out a bit, then slammed his cock inside my back channel. Then Justin began fucking my ass, and it was fantastic—he jabbed and

rammed and thrust deep and twisted and tweaked my nipples. His balls were slapping against my ass-cheeks as he fucked me with long, powerful strokes. As he diddled my clit and my pussy, I came. Then, minutes later, I came a second time.

My cry of release really turned Justin on, and he slammed deep inside me, then said, “Oh god, I’m gonna come, baby!”

He kept thrusting until suddenly I felt his hot jizz shooting up my ass. There was so much, I couldn’t hold it all. It dripped out of me while Justin continued fucking my little virgin ass. Finally he collapsed on me, his cock still buried between my ass-cheeks.

Believe me, we were pretty sticky. I rolled over and wrapped my legs around his neck, and he fucked my ass from the front. That was cool, too, ’cause he got to suck my titties.

You know, I like this ass-fucking so much I never want to have a cock in my pussy. Well, maybe....

— Pamela, Oklahoma

**KEIKO’S BEAUTIFUL
BOTTOM**

I’m ready,” I said.

Instantly Mark looked up from his book. “No

kidding?”

Mark and I have been quite active since we first started dating a year ago, but there’s one thing we’ve never done. Mark absolutely loves asses! He always touches my rear end when we’re walking, and sometimes he just caresses it when we’re in bed. Still, I kept saying no whenever he asked. Maybe I was scared. Maybe I thought it would hurt. Who knows?

After we undressed, Mark kissed me softly on the lips, stroking my ass-cheeks the entire time. His fingertips trailed seductively across my skin. Kneeling behind me, he kissed first one cheek, then the other. Languidly his tongue traced patterns on my buttocks. “They’re perfectly heart-shaped. Did you know that?”

“No, I didn’t.”

“Absolutely gorgeous. They’re so flawless. I can’t begin to tell you how great your ass is, babe. The other guys in high school noticed, too. We all wanted to bury our cocks between those creamy cheeks. At night, in bed, I used to jack off just thinking of your perfect behind.”

His fingers gently spread open my cheeks, and I felt Mark’s warm breath on my ass-crease. Then his tongue swirled around my little puck-

erbud. Oooo, nice! I pinched one of my tits and felt a surge go through my pussy. I knew I could really like this.

His tongue pressed against my hole and wiggled inside. “Am I going too fast?” he asked.

“No, not at all.”

His tongue pushed in deeper, then eased out. I could feel him wetting my ass with his saliva. My hand crept down to my pussy, and I massaged my clit. A pleasant warmth spread from my tits on down to my juice box. I moaned.

Mark directed me to lay crosswise on the bed, my rump close to the edge. Then he inserted two pillows under my tummy. My ass stuck up in the air that way, but I guess it wasn't high enough for him, because he retrieved another pillow from the closet. He ran his hands down my ass-cheeks to my pussy,

slipped in for some honey, and rubbed it around my asshole and on his cock.

“Is there anything you want me to do, Mark?” I asked anxiously, glancing back over my shoulder.

“No, sweetie, just lie there and relax.”

Something big and solid poked at my crack, tickling up and down. I knew it was Mark's hard cock. The tip pressed against my little hole, pushed and popped right in! I grunted.

“You'll feel some pain at first—it'll go away, babe.”

His cock delved deeper and deeper inside me as I felt his thick cock spreading my ass. Mark was right...it did hurt. But after a minute or so, I really didn't notice. I just knew my ass felt...tingly. I wanted him to fill me up, to really pump me good. I was tight, though. I wondered how his cock could fit there, but some-

how it did.

His cock pulled back, then pushed forward. With each stroke, he thrust deeper and deeper, moaning as he reamed my ass. I reached down to play with my pussy while he fucked my virgin ass. I had never felt anything like this! It was truly awesome! Why had I waited so long?

I writhed, sliding my ass up and down his solid cock, wanting this to go on forever. I hoped he'd fuck my ass for hours and hours!

At one point, I clamped my ass-muscles. Mark must have liked it—a lot. “Oh god, oh god, oh god, this is fan-fucking-tastic. Ooooooooo, baby, your ass is so hot!”

In response I humped back against him, feeling his balls slap my ass.

“Uh uh uh, oh damn!” Mark bellowed, and suddenly he shot his wad. His jizz went spurting high up in my hot hiney. My own orgasm hit me a second or two later. He pumped until he had nothing left, then collapsed onto me. “God, I'm sorry about coming so soon. It's just that I've wanted to fuck your ass for so long...I couldn't hold back any longer.”

“That's okay, Mark,” I said, kissing him. “We have the rest of the night.”

His face brightened. “That's true.”

We decided we were kind of sweaty, so we

decided to take a shower. While the steam rose around us, I leaned back against Mark and wiggled.

“Hey, you,” he said.

I leaned over, clasping my ankles with my hands. My pink lovebud was winking up at him while Mark grabbed the bar of soap. He slathered my ass until I was really slick. Then he slid his cock in my hot pussy and stirred it around to coat it good. Then, before you could say boo!, he'd dipped that big old cock right in my waiting ass. He fucked me fast and hard this time, slamming his cock in as far as it would go. I absolutely loved it.

Spreading my puffy lips, Mark fingerfucked me while his cock plowed my ass. It felt good, getting filled front and back! I just wished it could have been his cock in both holes—that would've been incredible!

When we were done, we rinsed off again and went back to the bedroom, where we fucked for a long, long time. Mark started out in my still-dripping pussy, then finished in my hot ass.

Afterward, I purred. “Say, Mark, those guys you talked about earlier. Think it's too late to call 'em?”

He grinned, reached for the phone, and began making calls. My pussy and ass tingled with anticipation.

What's a nice girl to do when her beautiful pussy is so fine that it just won't stay in its panties? What's this same girl to do when she wants to show it off all the time? My idea: Strip off those panties and let you see it so you can admire it, and then pull out your cock and fuck it. Nice girls really do like that!

BLAIR-NTS-00

I opened the door to find a sweet young thing right out of a wet dream...

When the doorbell rang I thought it was another salesman. They are always waking me up during the day. I work the night shift and usually try to sleep till noon. Anyway, I had my spiel down pat from previous annoyances and was really going to lay into him.

"Where do you live?" I'd ask.

"Why?" he would answer.

"Because I want to ring your doorbell at 3 o'clock in the morning, that's why!" Then I'd scream: "I work nights and you just woke me out of a sound sleep, you jerk!"

So I threw my bathrobe on and messed my hair even worse than it was for effect, and proceeded to answer the door. Boy was I going to give it to him! I opened the door and just stood there, my eyes blurry and my mouth agape.

"Hi, I'm Shannon," she said. She was a sweet thing, right out of a wet dream. I had to be dreaming—blonde, luscious, ripe. She had her portfolio under her arm. I rubbed my eyes. There I was, completely disheveled and feeling absolutely grotesque. And this sweet little sunshine was barely 18. At 35 years old, I felt like her daddy.

"Yeah?" I blurted out in a groggy voice.

I opened the door and she walked in and sat down at the kitchen table. "Did I wake you or something?" she asked. "Oh, that's all right," I mumbled while going to the fridge for a beer. I offered her one as

I took another look at her. Oh, my God, I thought, and decided that I'd better fix myself up a bit.

"Shannon, let me throw some water on my face and comb my hair. I'll be with you in a minute.

I swilled down about half a beer and looked at her sitting innocently at my kitchen table. Her powder blue blouse was unbuttoned a little at the top, enough to allow a peek of her full breasts. Her cute little titties looked hard and excited. The jiggle, bounce and sway of her sensual young body were sinfully delightful. She was almost too much to believe.

Her lips were the softest pink and pursed. She was selling something. "Whatcha got there?" I asked.

"Well, I'm trying to get enough points for a trip to Europe," she said. "And you can help me. I can go to France, or maybe Paris or Rome."

This sounded like a dream. But Shannon was real, and I actually believed her own sales pitch. Sure, I wanted to help her but not the way she had in mind. I then walked back into the kitchen. Shannon got up and walked over to a large sexy painting I had in the living room. She was showing off her large, perfect breasts, walking over to get a better look. Her little nipple nubs were bursting forth like a caged tigress in my small apartment, and she was fiddling with her blouse and fluffing it out a little. "You know something?" she said. "My ass looks better than that!"

"I bet it does," I agreed. "I bet it's just fantastic. But..."

"But what?" she wanted to know. "But can you dance?" I asked coyly.

"You mean like her?"

I smiled and nodded, then turned the lights down. "Just like her," I said, and put on a slow jam.

"You bet I can," she squealed with enthusiasm. Then she began to writhe slowly and sensually, unbuttoning her blouse ever so slightly. Her great breasts, bouncing, and swaying to the music, were yearning for release. I had the most enormous hard-on as she danced close to me. I was sitting on a bar stool, at the edge of my sanity.

"Oh," she cooed, "now I know why they call you Rod." She reached

down and stroked my throbbing cock. I used the opportunity to the best advantage and opened her blouse the rest of the way... with my teeth. She just giggled and twisted to the music, letting her blouse drop to the floor. Her breasts were unlike anything I'd ever seen: round, firm, high, proud in the exquisite glory of her youth, with gentle, soft-pink nipples. She had a perfect, milky-white belly and a cute little belly button.

"What about my points?" she giggled. "You know I've got to sell magazine subscriptions . . . for my trip."

"You've got beautiful points," I said. Then I reflected a moment as she undulated before me. "Shannon?"

"Yeah?"

"How old are you?"

"How old do you think I am?"

"I don't know."

"I'm 18," she said, "and I'm trying to make some money for college next year."

I reached down under the bar and took a hundred-dollar bill out of my cigar box. I'd had a lucky day before at the track. "You just keep doing what you're doing and I'll give you a little tip." I said, waving the bill in front of her.

Shannon writhed like a pedigree cat. I turned the music up and then went for another beer. Hell of a way to start a day, I thought, grinning from ear to ear.

"Rod?" Her lovely voice echoed above the music. "Do you have any baby oil?"

"Baby oil?" I asked. "What in hell for?"

"Well, could you get it for me?"

I went and got her the baby oil, not knowing what she had in mind.

"Thanks," she said, rubbing the oil all over her body. On her breasts, she accented every curve, highlighting the shadows, the texture and the tone of

derwear. And that made her even more of a nymph in my mind at the thought of her jiggling around through the streets like that.

She danced over to me and began to stroke my cock. Then she embraced me all over with her arms and lips and legs. Her hot sweaty little pussy—soft, furry and blonde—was rubbing against my leg. Up and down my leg she rubbed as she purred like a sex-starved kitten. She slowly removed my pajamas as she nibbled at my neck, still stroking my big, throbbing cock and swollen balls. Oh, she was ravenous. And I loved it.

I just sat there, naked, finishing my beer and trying to hold on to some semblance of reality. She slid down to her knees and continued to fondle my cock and caress my balls, licking around the head and murmuring things like: "Ooooh . . . it's sooo big!" "Oh, I love it!" She let my entire length slide slowly past those soft lips and, down, down her hot throat. She was giving me the most wonderful head I'd ever received. And a deep throat at that.

her delicious flesh as she danced and twisted and turned. Then she slowly let her shorts fall to the floor, kicking them away like a real pro.

Next she rubbed the baby oil on her gentle, soft white ass, which was round and perfect, sweet and silky like a little girl's butt. I kept saying over and over, "Oh, baby, baby!" as she tortured my rock-hard cock. It was throbbing and almost ready to explode. I hadn't had a hard-on like that since I was a teenager. Back then I used to imagine that my cockhead would blow right off from all the internal pressure and that the shaft would be left like an empty banana peel, completely spent.

It finally occurred to me that Shannon hadn't been wearing any un-

I looked down and sure enough, there wasn't even the slightest hint of my cock sticking out. She had taken it all. Then she came up for a breather, looking up at me with her beautiful pixie-blue eyes. "I love to suck cock," she said, smiling. She went back to caressing my balls and giving me a dynamite blowjob. I came in torrents down her eager

throat as she gulped my entire load. She sucked me dry, and then licked the head and all around as it twitched and pulsed under her expert touch. My head was spinning; my knees were weak.

"Shannon," I said, "Let me get another beer. Would you like a beer?"

"Sure, I guess so."

I popped open two cans and went back to the dim aura of our sexual lair. "You were great!" I told her. She said nothing. She just smiled with her warm, loving eyes and sipped on her beer. Then she put it down and began to rub my cock, slowly sliding to her knees and nibbling the head with her precious little love bites and flicking her soft tongue around and around before taking it all into her mouth. She managed to give me another roaring hard-on, just like that.

"Let's go in the bedroom," she suggested, tugging at me and then bouncing away with her little girlish gait.

But I had news for her. First I was going to eat her till her toes curled. And I did. I nestled against her squirming little body, licking her flat belly, around her belly button, and ever so slowly down around her sweet, writhing little cunt. Then her thighs, then back to her heaving, humping, grinding pussy, which was impatient for my tongue. I licked her moist, tight little hole, up and down the length of her soft pink pussy lips, lapping and lashing with my tongue around her velvet clitoris as she squirmed, uttering almost incomprehensible moans of girlish joy.

I swirled my tongue around her clitoris in feverish motions as I gently slipped my finger into her tight pussy hole and began to fingerfuck her. She then jumped onto the bed and went wild. She came in a furious, desperate spasm, holding on to my head, pulling me tight against her grinding pussy as her sweet girl-cum oozed into my mouth and down my chin. I licked her till she begged me to stop. Then I straddled her and eased my large, throbbing cock slowly into her tight cunt.

squealed, moaned, screamed and cried in pure ecstasy. A nymph of the highest order.

We rolled over and I watched the action of her pedigree ass as she moved in unison with me. We were a perfectly choreographed sex ballet. She rode me like a good ship rides gently rising and falling swells, her tits swaying in my face. Her dark interior as her pussy muscles squeezed again and again around my captive cock. I was entirely drained of cum and could feel her own sweet juices flowing down around my cock.

She collapsed on my chest with a sigh and lay there nestled against my cheek, her pussy muscles twitching as she murmured and nibbled at my neck. We came together for what seemed an eternity. I stooped down and gave her soft pussy a little kiss and a lick, but she pulled away, saying. "It's still tender."

I was sure that it must have been, after our fabulous marathon fuck. We dressed and I gave her

"Oh, Rod," she begged. "Go easy. Please!"

I was gentle with her, seeing how wonderfully tight she was. But once I had eased my dick all the way home, I could feel her tight pussy muscles begin to loosen and contract. Like a hand in a glove, I thought. Then I fucked her slow and easy, taking it way out and ever so slowly letting her muscles contract around it, sucking it back in. She was squealing all the time as I licked and kissed her titties.

She wrapped her legs around my waist, gasping, then licking and kissing my neck, clawing my back. And all the while she was able to enjoy the view in my overhead mirror, watching herself getting fucked into the mattress. She

the money I had promised. Then we drank another beer. "Are you going to come back?" I asked. "I don't like to miss a trick."

No doubt she sold me a bunch of magazine subscriptions. Shannon was worth it. We had an absolutely wild summer together. And she promised she'd be back.

I could hardly wait.

I love being on the sofa. It has everything I want on it. Huge comfy seats, a man, and another man. Men with big cocks that want me to suck 'em and fuck 'em. I'm a twenty-four hour nympho who loves getting off on having my pussy plowed, along with my butthole. Over and over I came, amazed at the power of having an orgasm in me, and them, too!
